

Title: Sports-Based Youth Development: A Global Perspective

Personal Author: Beedy, Jeffrey P.

Journal Name: Independent School

Source: Independent School v. 66 no. 4 (Summer 2007) p. 40-6, 48

Publication Year: 2007

Abstract: Part of a special section on sports and learning. The writer considers sports-based youth development from a global perspective. He discusses the role of sports in youth development and advances in this area. He then discusses global sports-based youth development programs and their emphasis on research and practice, inclusion, integration, sustainability, and replication. Finally, he considers the role of independent schools in sports-based youth development.
